

Student Name: _____ ID# _____ (For office use only)

Worthy Student Fund Application

We at CAA know that the cost of an Adventist Education can seem overwhelming. Regardless of your financial situation we will make every effort to make an education from CAA possible. Limited Worthy Student assistance is available each year based on established need. Both a completed Worthy Student Fund application form and a copy of the previous year's federal tax return (1040) must be submitted before any consideration will be given for WSF assistance.
