  - Index cards
  - Post-its
  - Assorted pack of highlighters
  - Pens and/or pencils (no red, no light colors)
  - Colored pencils
  - Thin-line markers
  - Crayons
  - Glue (not glue sticks)
  - Scissors
  - Water bottle (please don't get the kind that screws open or has a wide mouth; it easily spills all the water when open)

- 

--One Bible for 5<sup>th</sup>/6<sup>th</sup> graders - suggested versions: NIV, NLT, NASB, NKJV  
Please make sure your child has a version that is understandable for him or her. Bibles with sections and section headlines are helpful.

The Young Scholar Study Bible from Remant Publications is an excellent option for young people with Adventist study guides, Ellen White comments, gorgeous illustrations, and other elements of the third angels' movement.
